

The Trompette

The Newsletter of the Westchester County Chapter - American Guild of Organists

November 2021

Volume 21, #3

From the Dean

Happy All Saints Day, whether you celebrated last week or next!

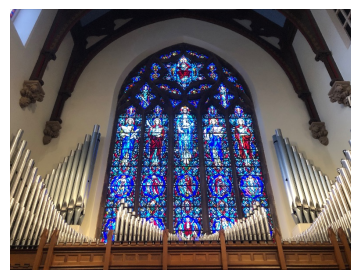

November is the month of the Members' Recital, held this year at Rye Presbyterian Church, on not one, but TWO organs.

There is still time to get on the program, so let me know ASAP if you would like to participate. Last year's program was a phenomenal array of styles and performers and you won't want to miss out.

Lastly, our hearts go out to the family and friend of Lawrence Broderick, who passed suddenly this last month. You are in our prayers.

All the best,
Ty Lundman
Dean
