“I have something marvelous to share. If you’ll come across, I’ll come across.” So spoke Virgil Fox. Although he died in 1980, he still comes across. To mark his centennial, we present a special program.

- Marilyn Brennan, Virgil Fox’s long-time secretary, will share her stories of this great musician and character.
- Organists Frank Miller and Rick Tripodi will perform some of Virgil Fox’s signature organ pieces.
- West Center Church’s soprano soloist Catherine Forbes and organist Arnold Ostlund will perform Jaromir Weinberger’s cantata for solo soprano, *The Way to Emmaus*. Virgil Fox performed this ravishingly beautiful work several times at Riverside Church with soprano Louise Natale, but performances today are an all-too-rare treat.
